## KILLED IN FRANCE.

**Young Syrian, Well Known in Pascagoula, Makes the Supreme Sacrifice.**  
In the casualty list of July 8, appears the name of Private Albert Hage, Franklin, La., killed in action.  
Young Hage was a native of Shawyer, in the province of Lebanon, Syria. In common with many of his expatriated countrymen he had a passionate devotion to his adopted country, America. At the beginning of the war, although only 18 years of age, he was robust looking and easily passed for 21. He volunteered for service and was enlisted at Jackson Barracks a little over a year ago. His detachment, Co. A, 28th Infantry was one of the first of the American Expeditionary Forces to reach France under General Pershing.  
Young Hage was well known in the Syrian colony of New Orleans, where he visited his cousins, Mrs. Nagine Moosa, and Saleen Hage, of 730 St. Philip street.  
In his last letter to his cousin Private Hage says: "Saleen, I am in good health and we just came out of the trenches, singing 'Goodbye Broadway, Hello, France.' I hope we will soon sing 'Goodbye France, Hello Broadway.' Sam, I am sorry I cannot tell you any news much, I will let you know later on.  
"Don't worry about me a bit because I am as safe here as if I were back in the States.....I am going to send nice things when I get back from the trenches..... Give my best regards to all at home."  
The relatives of young Hage left New Orleans Tuesday to offer their sympathy to his father and mother, Mr. and Mrs. George Hage, in Franklin. A brother who is a boy scout, Twofit Hage, also survives, and three sisters, Mrs. N. M. Hareek and Mrs. Gab Joseph of Berwick, La., and Mrs. Rosa Saik, of New York city.—New Orleans States.

Young Hage was well known in Pascagoula, having been employed by Mr. E. Kihyet for several months about two years ago. He was a bright, likeable young man, and made many friends during his stay here, and who feel honored in having known one whose patriotic devotion to his adopted country led to his making the supreme sacrifice.

## LEWIS-KELL.

A marriage of wide social prominence was beautifully solemnized at the Presbyterian church on Wednesday afternoon at two o'clock, when Miss Lola Lewis, the lovely young daughter of Mr. and Mrs. F. H. Lewis, and Mr. Thomas Blake Kell, son of Dr. and Mrs. W. R. Kell, were married in the presence of a large gathering of interested relatives and friends.  
The decorations for the occasion were exquisite in their artistic simplicity, and emphasized a lovely color scheme of green and white.  
Previous to the arrival of the bride party, Miss Hazel Chidsey, the lovely daughter of Judge and Mrs. C. E. Chidsey, sang "At Dawning," her beautiful soprano voice filling the church with its rich melody, after which the "Bridal Chorus" from "Lohengrin" announced the entrance of the bride party. The ushers, W. B. Herring, a cousin of the bride, and Robert A. Farnsworth, led the procession, and were followed by the matron of honor, Mrs. W. A. Stone, a sister of the bride, who immediately preceded the bride and her father, Mr. F. H. Lewis, who gave her to be married. They were met at the chancel by the groom and his best man, Rev. S. Gordon, of Charleston, Miss., and the impressively ceremony was performed by Rev. W. A. Hall, pastor of the church. Mendelssohn's "Wedding March" was the recessional, beautifully played by Miss Edith Morris, the gifted young daughter of Mr. and Mrs. Ed. Morris, who also played the wedding march and accompanied Miss Chidsey's beautiful solo.  
The bride was very lovely in a handsome traveling suit of dark blue cloth and gray georgette waist, gray shoes, and a becoming black hat. Her flowers were a beautiful bird bouquet of American Beauty roses, tied with crimson satin ribbon.  
Mrs. Stone wore a beautiful costume of blue georgette and charmeuse, and a white hat, and also carried American Beauty roses tied with crimson satin ribbon.  
Following the ceremony Mr. and Mrs. Kell motored to Mobile and from there left for a bridal trip to several cities in Florida, and on their return will reside in Pascagoula.  
The bride and groom are both members of two of Pascagoula's most prominent families, and are both popular in the social circles of the city. The bride is the youngest daughter of Mr. and Mrs. F. H. Lewis and is a young woman of charming personality and many accomplishments. The groom is the oldest son of Dr. and Mrs. Kell and is possessed of splendid character, many sterling qualities and magnetic personality. They were the recipients of numerous handsome gifts.

**PAINT FOR CONCRETE SHIPS MAKES THEM LIKE STEEL.**  
Washington, July 9.—Discovery of a new protective coating which is expected to make concrete ships as durable as steel has been announced by the shipping board.  
"Engineers studying concrete construction are becoming more and more enthusiastic over the future of concrete ships," said H. J. Wig, chief of the concrete ship division. "From our comprehensive tests with seawater we are assured that such vessels will last a minimum of several years without any protection. Applications of well-known protective coatings make certain an extended life of several years' additional and with the further development of protective means which we have discovered I believe the concrete ship can be made as permanent as steel, if not more so."

**MONEY SHOULD BE SENT TO SOLDIERS.**  
The original order that the approval of a regimental or higher commander was necessary before packages might be sent to members of the expeditionary forces has been modified so officers with the rank of major and higher may approve shipments. The approval of a company commander is not sufficient.  
The question of the shipment of parcels to France first came to the attention of the War Department when the commanding general of the expeditionary forces cabled that congestion of such articles had reached such a point that French railroads were unable to handle the load. A board appointed by the Secretary of War and the Postmaster General examined 6,000 sacks of parcelpost mail, and found that the articles being sent not only in the main, were absolutely unnecessary, but undesirable. The investigation showed that the amount of such mail had reached a total of 500,000 pounds a week, and was steadily increasing.  
Relatives and friends, according to a recent statement by the War Department, will find they often can do a greater service to soldiers by sending them money for the purchase of articles in France than by forwarding the articles. Tobacco is now being supplied as part of the Army rations, and merchandise of nearly all kinds may now be purchased in France through the huge general store established by the Quartermaster Corps at lower prices than charged by retailers here.

**W.S.S.**

## TRAIN FOR SHIPWORKERS.

The following letter is self-explanatory:  
Washington, D. C., July 2nd, 1918.  
Hon. Pat Harrison, M. C.  
House of Representatives, Washington, D. C.  
Dear Sir:  
I wish to acknowledge your letter of June 29th enclosing petition for special train to serve the shipyards at Pascagoula.  
I have just received a telegram from Mr. Jilson J. Coleman, our representative, who has been investigating transportation facilities in Pascagoula, as follows:  
"Superintendent Boes Louisville and Nashville agrees to daily train service from Pascagoula to Biloxi and has so reported to his superiors."  
I feel confident that this train will be placed in operation very shortly and that it will furnish adequate transportation service to Pascagoula for the shipyard workers residing in Ocean Springs.  
Trusting this will take care of the matter satisfactorily, I am,  
Very truly yours,  
G. T. SEELY,  
Assistant Director of Passenger Transportation.
